

# RoHS Customer Information

Restriction  
of  
Hazardous  
Substances

The use of certain hazardous substances in electric and electronic appliances is controlled with the entry into force of the EU Guidelines:

- 2002/95/EG (RoHS 1)
- 2011/65/EU (RoHS 2)
- 2015/863/EU (RoHS 3)

According to these guidelines we hereby confirm to you that none of the substances classified as being of high concern is used in our products in inadmissible concentrations. This also applies to our suppliers. We are and will be in contact with our suppliers in order to forward relevant information to you whenever necessary.

We are of course always at your disposition if you have any questions to this matter.

With kindest regards
